Dear Parents,

It has come to our attention, after several reports from children, that they are experiencing incidents at The Meadow after school or at weekends that are making them feel unsafe. These have involved racist language, swearing, aggressive and coercive behaviour towards some of our pupils by older children – but many incidents have also been instigated by a few of our Year 6 pupils.

Mrs Boak and Mrs Pepin have spoken to the class about keeping themselves safe, being responsible and understanding the importance of sharing with adults when they are not feeling safe. We are aware that some children have already spoken to parents, and would encourage you to have further conversations with your child if they are spending time at The Meadow without adult supervision to ensure they have strategies to support them if incidents occur that make them feel unsafe.

Thank you for your support,

Mrs Kilbey
