

'This is a school that cares deeply.'
(OFSTED 2025)

1st June 2026

Dear Parents and Carers of Year 1,

Recorder Lessons

In September 2026, we hope to be able to offer group recorder lessons in school to current Year 1 pupils. Lessons will be provided by Warwickshire Music. Learning the recorder gives children an early understanding of music (covering several aspects of the National Curriculum) and will be of benefit to them in the future.

The cost of the lessons will be £55.00 per term. Although the number of lessons per term will vary, depending on the term length, there will be a minimum of 30 lessons in the academic year. Lessons will be in small groups throughout the year, once a week during the school day.

Your child will need their own descant recorder for the lessons. Details of the required music book will be given by the teacher in September.

Every child must be willing to practise at home and work hard with their playing and it is hoped that parents will give their full support. Children are encouraged to complete the whole year but if they wish to discontinue lessons you must provide **a full term's notice in writing to the school office and payment for that term must be made.**

If your child would like to learn the recorder, please complete this online [form](#) by **Monday 8th June**. Places are subject to availability.

Please note that by completing the form you are committing to paying the first term's fees in September 2026 if your child is allocated a place.

Further details can be obtained from the school office on 01926 426020 or by email at admin@btschool.co.uk.

Information about other instruments your child can learn from Year 2 will be coming out shortly.

Yours sincerely,

Mrs Kilbey

Head Teacher
