

'This is a school that cares deeply.'
(OFSTED 2025)

3rd June 2026

Dear Year 5 Parents and Carers,

Camping – Friday 26th June 2026

We would like to host an overnight camp for Year 5 on **Friday 26th June**. This is to prepare the children for their residential at Manor Adventure in Year 6. The camp will take place on the school field.

The children can return to school at 4.30pm where we will put up tents, play different sporting games, draw, colour and read.

We will provide hot dogs and hot chocolate for the evening and cereals for breakfast in the morning. We will also have a fire pit with a story before bed. We are asking for a £2 donation to cover costs (payable on School Money).

The children will need to bring:

- sleeping bag and pillow
- picnic blanket
- warm clothes
- pyjamas
- tooth brush and tooth paste
- torch
- book

They may also bring a cuddly toy to have in their tent.

If the weather isn't on our side, we will move activities inside for the evening and sleep in the tents for the night, unless a thunderstorm is forecast in which case the camp will be cancelled.

An adult will need to be available during the night in case we need to call you to collect your child. If this will not be the adult we currently have contact details for, please let us know.

Please collect your child on **Saturday 27th June at 9am**. If you could help in disassembling tents that would be much appreciated.

Please complete this [form](#) to give consent for your child to attend. Please let us know via the form if your child cannot attend as this will mean we aren't chasing you for a response.

Thank you for your continued support.

Mr Bench and Mrs Sibly
