

Optional Uniform

We are excited to share that from September 2026 we now have an optional uniform.

The children in Pre-School voted with a choice of being the same as the school children or as the staff in Pre-School and they choose the staff, what a compliment!!!

You can purchase uniform from this link:

https://www.stitchtech.co.uk/?s=bishops&post_type=product

We recommend black joggers or leggings for independence when toileting but the uniform is optional.

Please do understand that we will not disturb childrens leaning to put on an apron as so if you do not choose to wear a uniform please DO NOT send your child in clothes you may not want to be ruined. We will of course have aprons available end encourage use where possible.
