

My Artwork – Christmas PTA Fundraiser

Dear Parents and Carers,

Your child brought home today a My Artwork template from school as part of our PTA Christmas fundraising initiative. 

This is a lovely opportunity for the children to get creative and turn their artwork into special, personalised Christmas keepsakes! Their wonderful drawings can be transformed into a range of festive items, including Christmas cards, mugs and more – perfect for sharing with family and friends or giving as unique Christmas gifts. 

Please take a look at the information on the template for helpful tips on creating the best results. Encourage your child to use bright colours, felt-tip pens or paint, and please avoid using glitter.

IMPORTANT DEADLINE – WEDNESDAY 4TH NOVEMBER

All completed templates must be returned to school by Wednesday 4th November at the latest.

Unfortunately, we will be unable to accept any templates returned after this date, as we have a strict timeframe to get all the artwork processed and printed in time for Christmas. Please ensure your child's template is returned on time so they don't miss out on creating their very own festive keepsakes!

We hope the children have lots of fun creating their Christmas masterpieces!  

Please see the images below for helpful tips and examples of how to create the best artwork.

Thank you, as always, for supporting our PTA and helping us raise funds for our school community.

Thank you

The PTA Team.

USEFUL ADVICE TO GET BEST RESULTS

Please take just **2 minutes** to check over this information so everyone can help the children maximise the whole **trex art** experience and end up with the **best results!**

Please encourage the children to use **BOLD BRIGHT** colours using paints or felt tip pens

Pencils, chalk, pastels or charcoal will not fix and might when scanned make a dull, washed out picture, which cannot be shown in its true colours while at home, particularly on card at competition time and may also mark some surfaces, chairs and carpet so they are not suitable.

Or maybe use collages with varying textures using **BRIGHT COLOURED PAPERS**

Please make sure the collage pieces or stick on week by plenty of glue and ideas do not go outside to help keep the design or picture clear.

Please DO NOT use Glitter in any form
It can damage our machinery and get everywhere including other children's artwork!

Please ensure any glue is dry before returning your artwork.

SOME GOOD EXAMPLES USING VARYING METHODS...

Pencil, Chalk

Paints

Felt Tips, Collage or Tissue Paper

Tissue Paper or Collage

Paints or Felt Tips

Feel free to show us your ideas!

Keep important solid image (type face etc) at the pages'

BE EDGE AWARE

Make sure you use strong, bold colours close right to the edges of the template however, please be edge aware with the important elements of your design.

SAFE ZONE

Keep critical elements (text, face, hands, noses, etc. most form) well within this zone.

This is the only way to avoid these elements being trimmed off on the final product.

Avoid drawing a dark border on the template as these will appear on the finished product.
