### **What will my child be doing?**

**Pre-Instrumental Musicianship:** designed for children of reception age (4-5 years), our violin class is based on Kodaly and Dalcroze concepts. The children develop the musical skills required for learning an instrument through singing, movement and hand-held percussion. The class runs during school terms (excluding school holidays and half terms) and is the ideal preparation to beginning the violin class in September 2024.
