Packed Lunches for Year 3 Swimming

Dear parents / carers,

After the February half term holiday, the school kitchen will be offering to cater packed lunches for school trips, sports events and swimming lesson days at a cost of £2.39. Packed lunches will be provided in a re-usable lunchbox.

The children will be able to have wraps or sandwiches, filled with either egg, tuna or cheese. Some photos of the available packed lunches are below.

If you would like to order a packed lunch for swimming days (Tuesdays), please inform the school office by Monday 19th February.

If you order a packed for your child, we will check with your child in class each week whether they would like a wrap or a sandwich and the filling they would like.

If you order a packed lunch in the first week, we will assume that a packed lunch is required for the remaining weeks, unless we are informed otherwise.

Please don't hesitate to contact us if you have any queries at all.
