Dear Parents and Carers,

Instrumental Lessons

In the next couple of weeks we have to submit our request for Warwickshire Music instrumental tuition time for the next academic year, 2024-25. As you have not already told us that your child will not be continuing with lessons, they will be allocated their lesson time for the instrument as per this year.

I do need to let you know that there is a small increase in the termly cost which, from September 2024, will be £90 per term.

You will also have received a letter about music lessons for the academic year 2024-25. Unless your child wants to learn an additional instrument, you don't need to do anything.

As a reminder, **should your child not wish to continue with lessons, a full term's notice in writing must be sent to the school office and payment for that term must be made.**

Yours sincerely,

Mrs Kilbey

Head Teacher
