Wellbeing Survey

Dear Parents and Carers,

I hope you had a wonderful half term break. As we head into our final half term, we would like to find out your current views on our school's well-being offer in order to evaluate our provision.

Your views are important in helping us understand what we are doing well and how we can continue to improve.

Thank you so much to everyone that completed this survey at the start of the year. Our Change Team used these to create an action plan and we have already managed to implement many of your suggestions throughout the last few terms.

Please follow this [link](https://app.awardplace.co.uk/stakeholder-evaluations/user-survey/665d804cb3386) to complete the survey (or copy and paste the following <https://app.awardplace.co.uk/stakeholder-evaluations/user-survey/665d804cb3386>).

It should only take a couple of minutes to complete the survey. Please send your response by the end of this week.*

All responses and suggestions will be carefully considered and used to continue to plan appropriate school improvements.

If you have any queries about this survey, please contact us.

Thank you!

Claire Pepin
Deputy Head Teacher and SENDCo
