Visit from National Centre for Guide Dogs - Reception

Dear Reception Parents and Carers,

On **Friday 7th June**, we are lucky to be welcoming a couple of visitors from the National Centre for Guide Dogs. A volunteer for the Guide Dogs National Centre is bringing an adult breeding female dog to meet the children and to answer any questions they might have.

The Guide Dogs National Centre is where puppies begin their journey to become life-changing guide dogs. The centre has room to breed up to 1,500 puppies a year and, since opening the doors in 2011, has now bred almost 11,000 puppies - that's a lot of life-changers!

Please complete the form below as soon as possible (before Friday 7th June) to give your permission for your child to take part in this experience. The form also provides an opportunity to let us know about anything, for example any allergies to dogs your child may have or any nervousness they may have around dogs.

Of course, if you would prefer for your child not to take part in this experience, we will provide a different activity for them to take part in at this time.

Apologies for the late notice but I hope you will agree it is a great opportunity for the children.

Kind regards,

Emma Brain and Kathryn Potter
Reception Teachers

Visit from National Centre for Guide Dogs – Reception – Consent Form

Child's Full Name..... Class.....

I do / do not give consent for my child named above to take part in the visit from the Guide Dogs National Centre (please delete as appropriate)
