

10<sup>th</sup> June 2024

Dear Parents and Carers of Year 4,

**Visit to MAD Museum, Stratford-upon-Avon**

On **Thursday 27<sup>th</sup> June**, Year 4 will be visiting the Mechanical Art & Design (MAD) Museum in Stratford-upon-Avon to support our Design Technology topic and lessons in History on ancient invention.

The museum encourages pupils to marvel, examine and be inspired by the inventions on display. Pupils will watch and interact with mechanical creations such as flying mechanical birds, clever clocks and witty characters, build marble runs and learn engineering and physics principals.

We will travel by two minibuses and will leave school after morning registration. We will return to school for lunchtime.

The cost of the trip is £11 per child to cover the cost of the minibuses and entry to the museum. (Children in receipt of Pupil Premium will be funded).\*

In conforming with the Governors' Policy on Charges for School Activities we are asking for a voluntary contribution of £11 per child. We hope you will be able to make a donation although no child will be excluded if he/she is unable to make a contribution. However, the school reserves the right to cancel the activity if money is insufficient to cover costs. Please make payment by Tuesday 18<sup>th</sup> June via School Money.

The coach will leave school at 9.30am and will return by lunchtime. The children must:

- wear school uniform and shoes
- bring a raincoat (if the weather looks like it might rain)
- bring a water bottle

As the children will be back for lunch, they can either have a hot dinner or bring a packed lunch as normal.

They will also need to bring their school bags, which will be left at school for the trip.

Yours sincerely,

Amy Cadman and Nikki Rhodes  
Y4 Teachers
