

# Summer Music Celebration

19<sup>th</sup> June 2024

Dear Parents/Carers,

As you will have seen on the newsletters, we are excited to be holding a celebration of the musical talents of the children in Years 1 and 3 (and Year 6 soloists) on **Thursday 27<sup>th</sup> June at 5:30pm.**

This is an opportunity for your child's whole class to showcase what they have been learning during Music. It is also an opportunity for any child to perform the instrument they are learning in individual music lessons.

The children need to be back in school (with their instrument if they take theirs home) at 5:15pm so that we can group the children and make sure they have everything they need and are ready to start at 5:30pm promptly. **Please drop your children off at the school office.**

We would like to invite you to come along to support your child. If you are watching the performance, please continue to the hall. At the end of the performance, you will collect your children from the classroom doors, as you would at the end of the school day.

It will be an informal evening, as we celebrate children who have been playing their instruments for a few years and some that have only been learning for a very short while.

To help us to organise audience seating and to confirm that your child is able to attend, please complete this [form](#). It is fine for younger and older siblings to come along too.

You will be given an opportunity at the end of the performance to take a photo of your child(ren) for home use only. **Photos and videos are not permitted during the performance** as it distracts the performers.

Thank you for your continued support.

Mrs Kilbey  
Headteacher
