

October 2024

Dear Parents/Carers,

We have been contacted by concerned residents and parents, regarding unsafe and inconsiderate parking at school drop off and collection.

We would like to remind all parents and carers of Bishops Tachbrook CofE Primary School that the parking restrictions outside of your school are there to help keep you and your child/ren safe.

### **School Keep Clear Markings (yellow zig zag markings)**

The School Keep Clear Markings outside of your child's school create areas that must be kept clear so that children and young people can see clearly when crossing the road.

These markings indicate the part of the road where drivers should not wait, stop, or park their vehicle.

Vehicles must not be parked, even for a few minutes, on the School Keep Clear/Yellow Zig Zag markings.

### **Junctions**

Vehicles must not be parked within 10 metres (25 feet) of a junction.

### **Park and Stride – Sports and Social Club**

Your school is lucky to have use of the Sports and Social Club car park as a park & Stride location. Please do use this car park and help make the area near and around your school a safer place for your child/ren.

To help keep your children safe, we will be conducting patrols around your school sites focusing on parking. We can issue tickets for parking which causes an obstruction to other drivers or pedestrians.

[Let's all work together to keep our children safe.](#)

Many thanks for your cooperation.
