English – The Colour Monster

In Year 1 the children thought about how different colours might link to feelings. They designed their own colour monsters and wrote about how they were feeling.

My friend

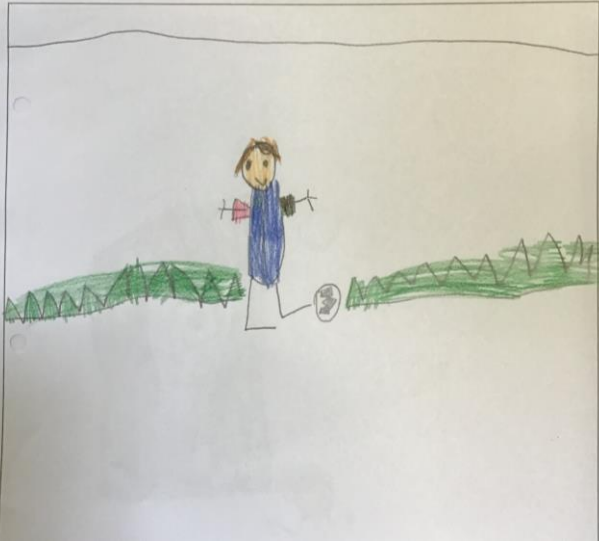

This is my friend Ada and they like unicorns + Butterflies

My friend

This is my friend Harry and they like football

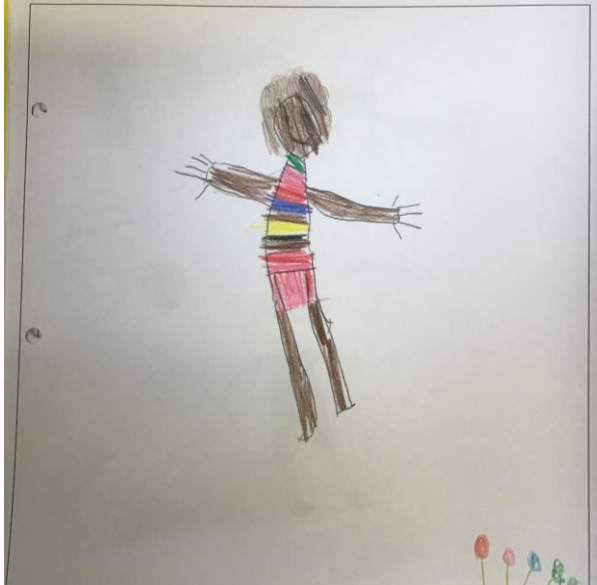

My friend

This is my friend Abby and they like science

This is my friend Noelle and they like flowers

My friend

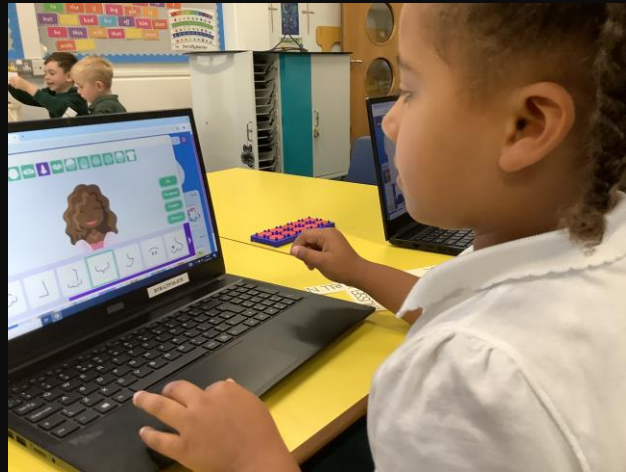

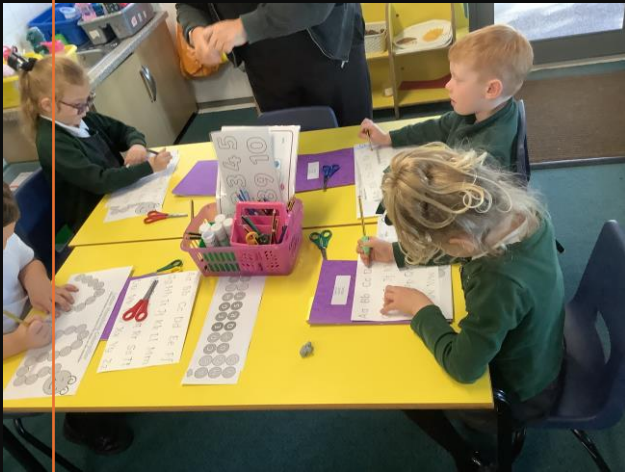

This is my friend Mark and they like toys

PSHE

The children thought really carefully about what they knew about their friends in the class.

Computing

The children have been practising logging onto the laptops and have changed their avatars. They have been learning lots of capital letters to help them use the keyboards too!

Design Technology

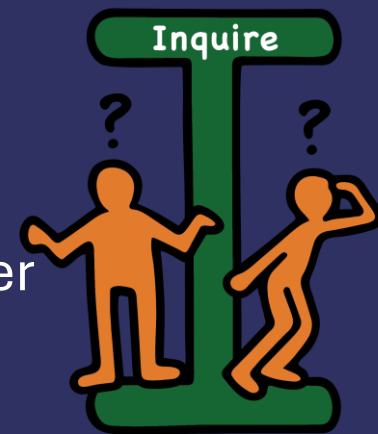

The children have worked together to build a home for a hedgehog. They thought carefully about the size and how the hedgehog needed to get in and out.

History

The children enjoyed learning from a visitor from St John's museum and learned lots about old toys. They enjoyed playing with them too! I wonder what your favourite toy was when you were a child?
