

Dear Year 1 parents and carers,

Please find below the link to the next phonics activity to support your child's phonics learning.

The children are very familiar with this game and it is a fun way to help the children to practice reading and sorting both real and monster words.

<https://www.phonicsplay.co.uk/>

Once you have clicked on the link shown above, select the game 'Dragon's den' found in the resources section.

Click 'start' then select the phase 5 sounds.

If you select 'revise all' the children can practice reading and revising all the relevant sounds learnt this year.

Many thanks and best wishes,

Liz French, Kathryn Potter and Helen Power
