

Year 2

Summer 1

10.4.2025
Investigating
the different
parts of the
plant by
dissecting and
labelling tulips!

We developed our speaking and listening skills by preparing a performance of a poem which we delivered to the class!

We explored the school grounds identifying seasonal plants and taking photographs.

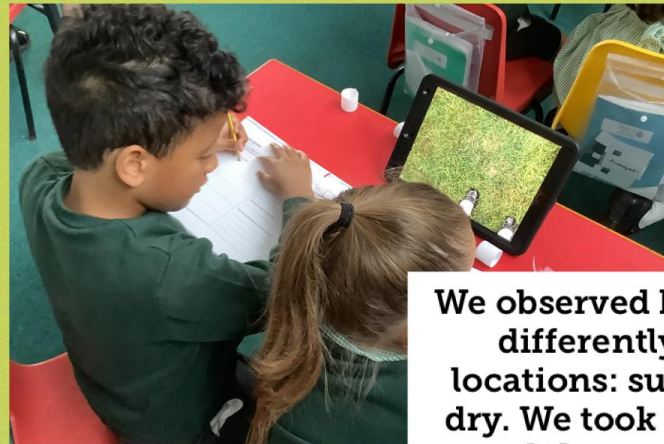

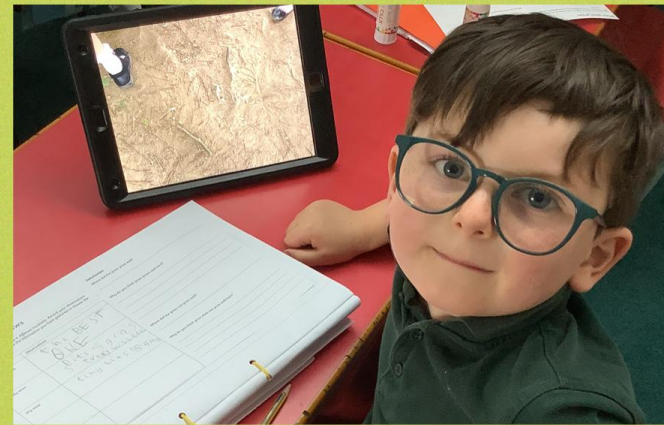

07.05.25
LI: put a story
into
chronological
order.

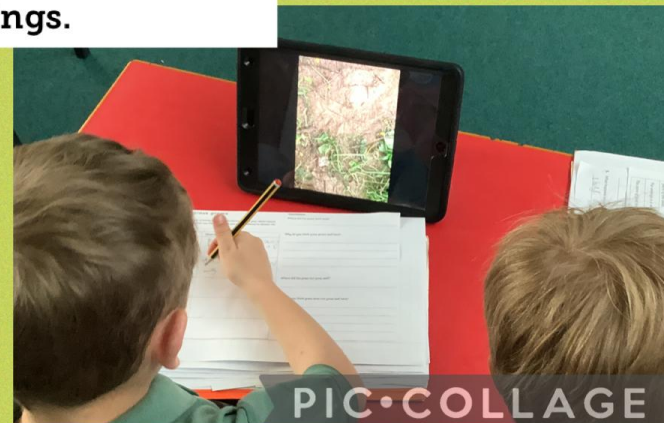

We listened to
George and the
Dragon and
worked
individually and
in pairs to order
the illustrations.

We observed how grass grows differently in different locations: sunny, shady and dry. We took our own photos and then wrote about our findings.

Year 2 creating firework pictures in Purple Mash
