

# Year 6

Summer 2

# Food Technology

Following a recipe to make a tomato sauce.

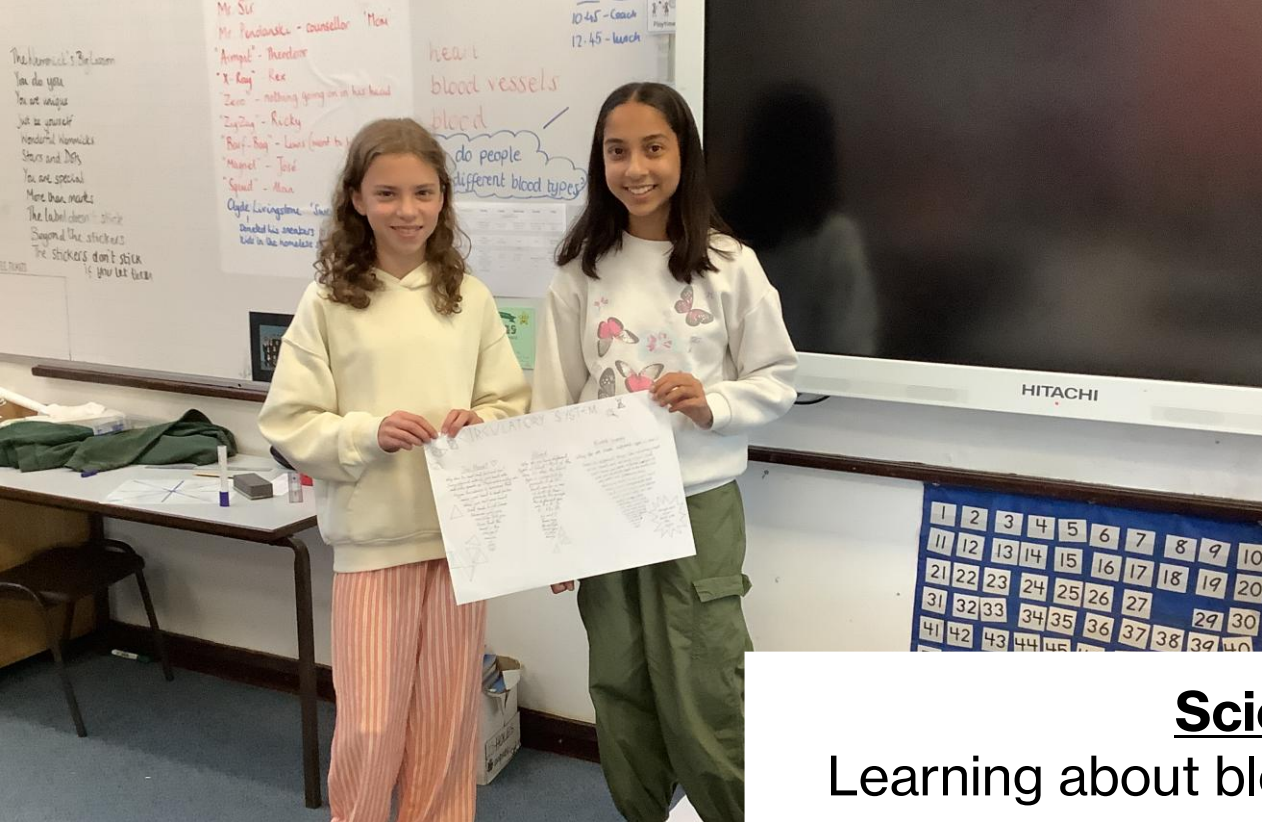

## PE

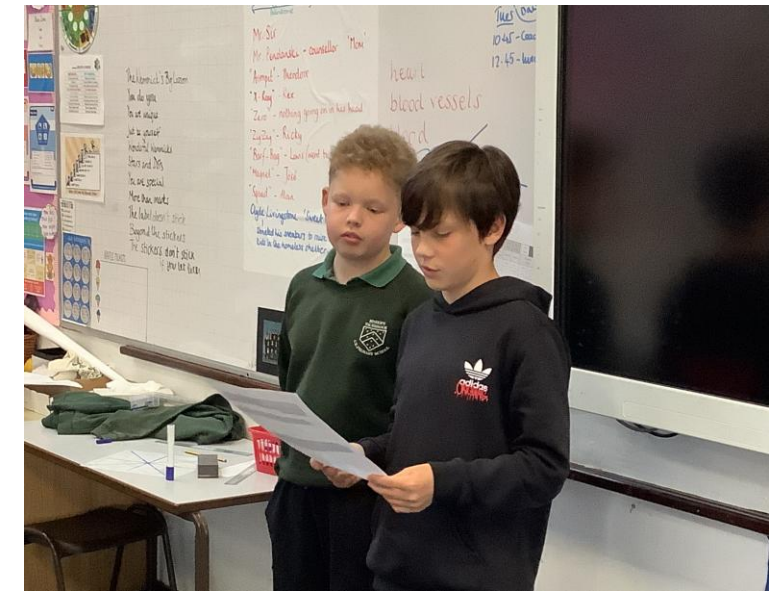

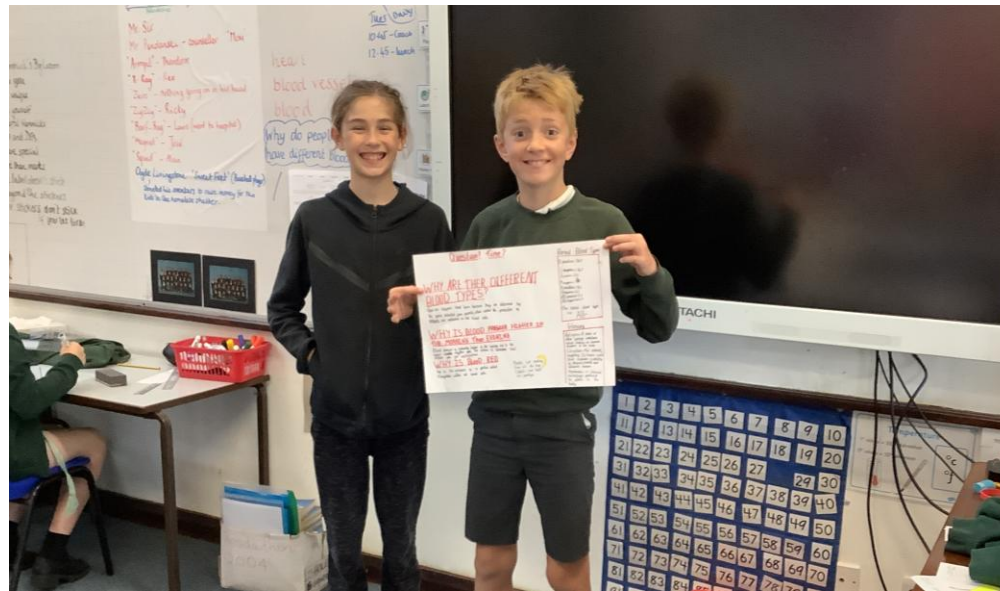

Swimming: Water Safety – rescuing someone who was in trouble in the water while keeping ourselves safe from falling in.

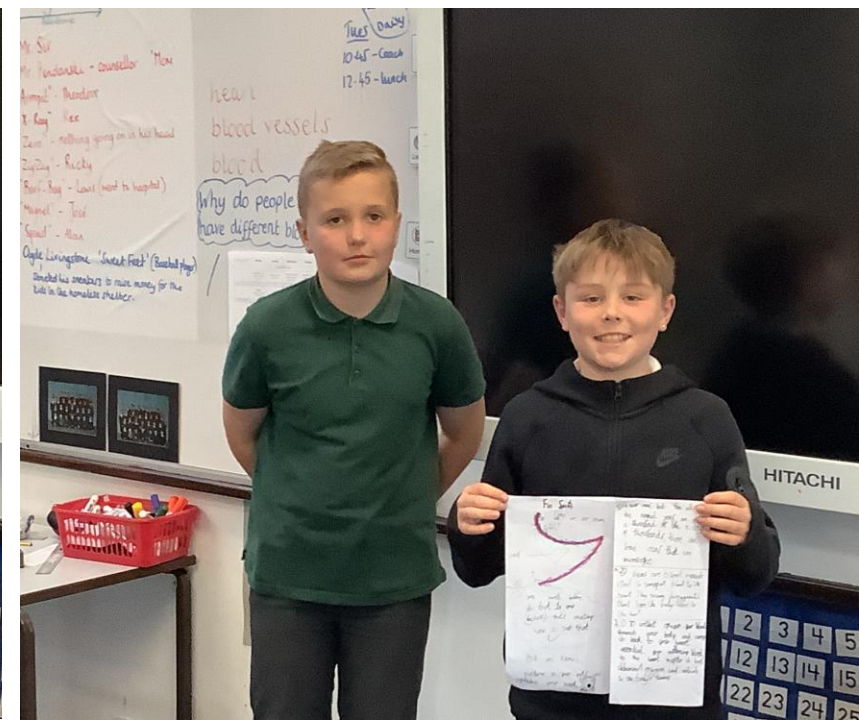

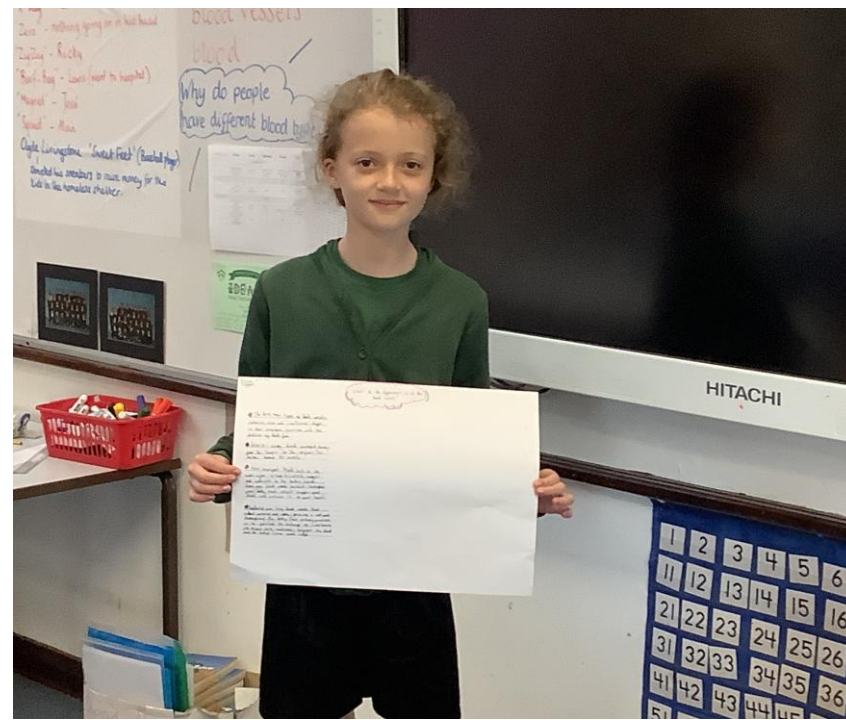

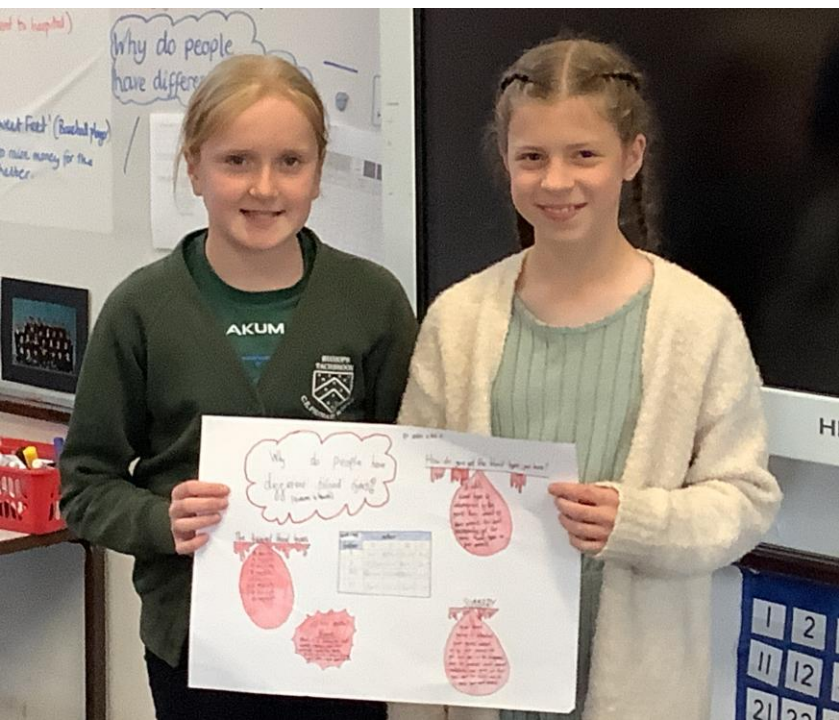

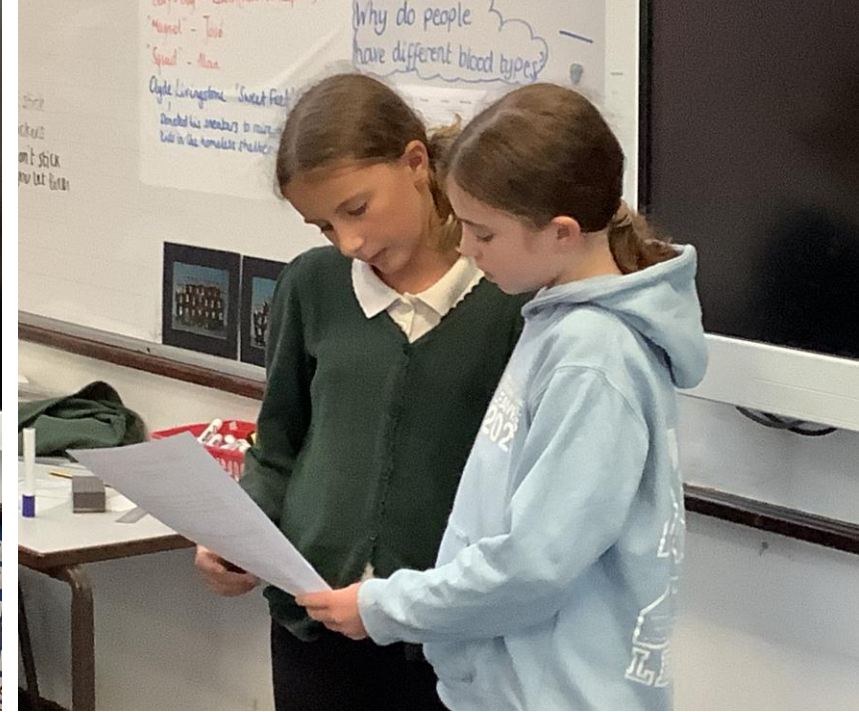

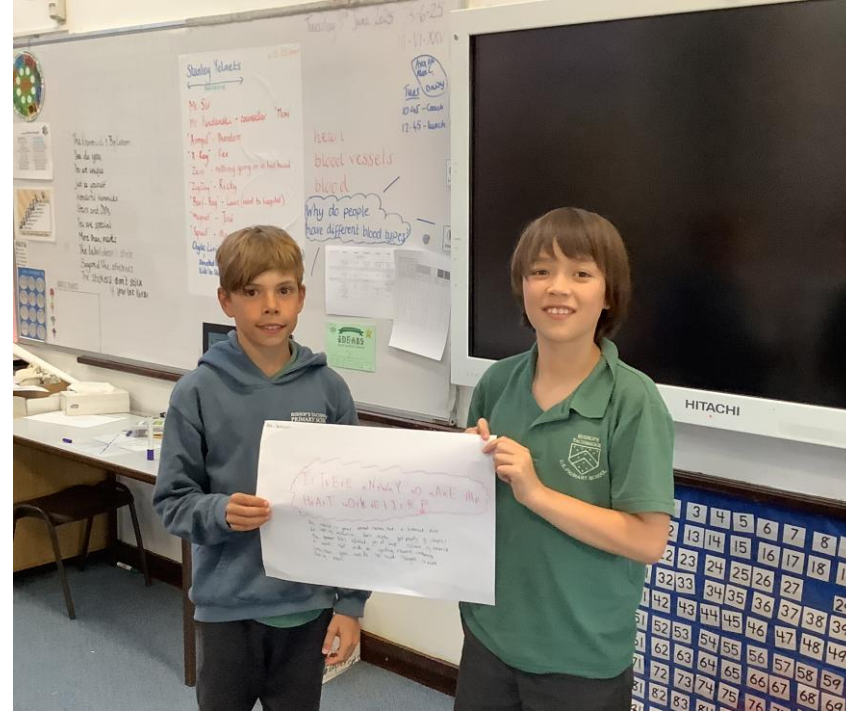

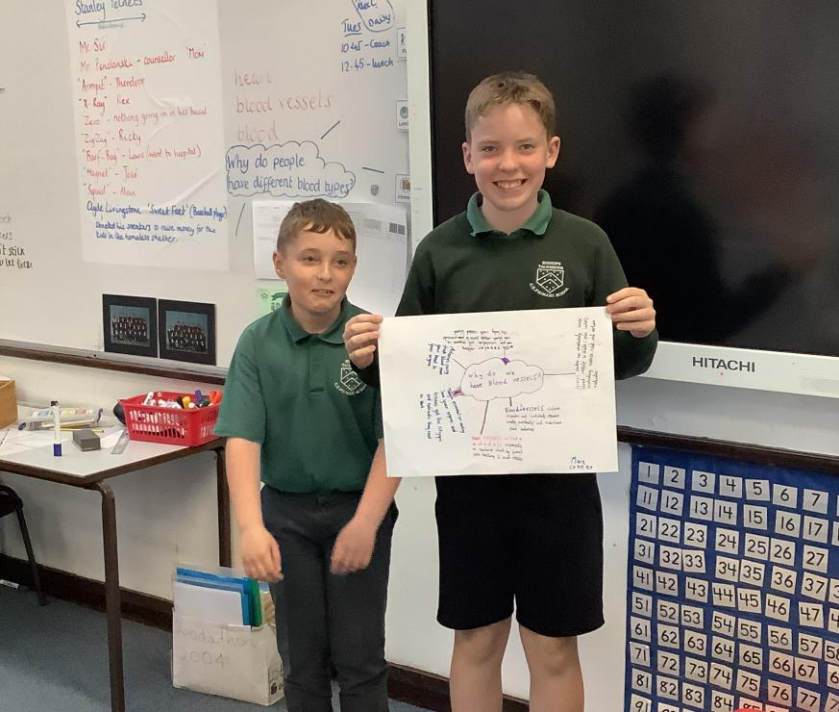

## Science

### Learning about blood and circulation

## Understanding Christianity Day

God and the Big Bang

We were challenged to see if science and religion could be telling a similar story about creation...

History  
A trip to the Staffordshire  
Regiment Museum

## Year 6 Fete

We worked as a team to raise money for our disco. Everyone had fun!

## Year 6 Leavers' Disco

We all enjoyed spending some time together at the Leavers' Disco. The pizza was delicious and the dancing and limbo was fun too.
