

Year 2

Autumn Term 2024

English

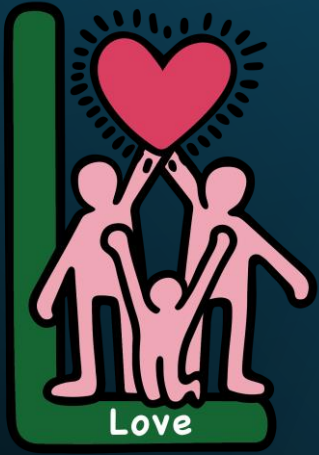

Year 2 have been thinking about the story 'The Friendship Bench' and used drama to explore different ideas within the story.

Maths – number bonds to 20

Year 2 have been learning about number bonds that total 20.

Wellbeing Wednesday

On Wellbeing
Wednesday we enjoyed a
photo scavenger hunt
and some mindful
colouring.

Computing

The Year 2 children have been discovering how to use coding on the laptops in school. They have used the Secrets of Success to help them to be successful.

Music

In our music lessons we have been learning about different rhythms using djembe drums.

Commando Joes

We have completed missions thinking about Pocahontas.

Design Technology

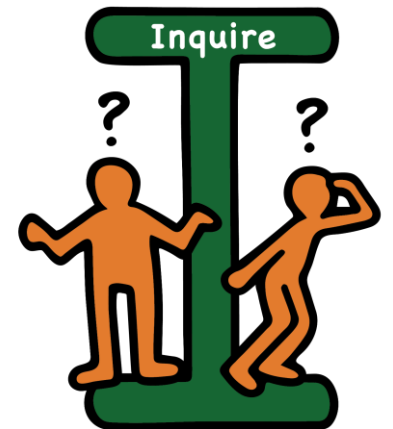

Year 2 have been following recipes and have enjoyed tasting the results!

Science

Year 2 have been learning about germs and how they spread using glitter on their hands. Mr Thain was finding glitter all around the classroom – germs certainly do spread quickly when they are on our hands!

PE

The children have been developing their football skills in PE lessons this half term with Onside.

Harvest

Year 2 enjoyed visiting St Chad's to celebrate Harvest, and kindly took lots of gifts for the foodbank. They were excited to be the first class to visit the orchard in school to pick a piece of fruit when they got back to school!
