

Learn CPR and using a Defibrillator

CPR

Training at St Chad's Centre

Warwickshire Hearts is a charity of community first responders (CFR's) who are volunteers trained by West Midlands Ambulance Service.

We demonstrate and then support participants in performing CPR on manikins and use of a training defibrillator

We are completely self funded and do not charge for this training; however donations are always gratefully received which allows to continue our responding.

Dates are :

Friday 26th September 1-3pm

Thursday 2nd October 7-9pm

All welcome no booking required
