

Parking at Bishops Tachbrook School

30th January 2026

Dear Parents/Guardians,

We would like to ask everyone that drops their children off at Bishops Tachbrook School on Kingsley Road to please think twice about where they park. We have had reports of drivers parking blocking residents' driveways – for which we ask please do not do, even for a minute - and parking outside the school on the Zig Zags.

Yellow Zig Zags are outside the school to protect children and those wishing to cross the road, so that they have a view of traffic approaching. Parking carelessly endangers lives, and parking on yellow Zig Zags can carry –

- 3 Penalty Points
- Up to £100 fines.

Warwickshire Police carry out school parking patrols and if caught, you will be penalised.

Please help us to keep everyone safe, and park carefully.

Warwickshire Rural West Safer Neighbourhood Team
