Dear Parents/ Carers,

As part of the children's topic on space we would like them to visit the National Space Centre in Leicester on **Wednesday 22nd November 2023**

There are a range of interactive displays and a number of different exhibitions to aid their children in their understanding of the topic.

As well as visiting the exhibitions, the children will be taking part in a workshop lead by one of the centres experts about the sun, earth and moon.

We are asking for a donation of **£21.00** towards the day. This includes access to all of the centres exhibitions as well as the workshop and coach travel there and back. We need as much of the final amount as possible to ensure that this trip can go ahead.

The children will be leaving school around 9.10am and will return by 3pm. The children will be expected to wear school uniform on this day

If the children normally receive a free school dinner then this will be provided in the form of a packed lunch. If the children do not normally receive a free school meal they will need to bring a packed lunch. Please can this be in a disposable bag with their name on it.

Thank you for your support,

Mr Bench and Mrs French
