

# Go Go Makers Wrap Around Care

**Inspiring little minds to think BIG!±**

*at Bishop's Tachbrook Primary School*

Dear Parent/Carer,

Go Go Makers are very excited to be working with the children and families of Bishop's Tachbrook Primary School from September 2019 and very soon these changes will be reflected on the school's own website. In the meantime there are a few things you may want to know and two things to do.

Go Go Makers are proud to deliver wrap around care, holiday camps and educational Arts & Crafts After School Clubs to children aged 4-11 years old and from September we will continue to provide an excellent service to the children and yourselves and I am so pleased to say that the current OOSC team will all continue to come on the exciting new journey and become a part of the Go Go Makers team!

Attached is an information pack which contains a variety of information but if there is anything else that you would like to ask or discuss, then please free to get in touch.

## TWO THINGS TO DO

[Register & Book](#) - On the information pack it explains the booking process and the two types of bookings ("contract" and "ad hoc"). To secure your place for September I would advise that you go online to register and book for September. Booking is available now. It is essential that every parent whose child will be using the Go Go Makers OOSC from September registers online as soon as possible. Children who are already registered with OOSC will NOT be automatically transferred to our new system so please do this as soon as possible, to allow you to book up in plenty of time, thank you.

We look forward to being a part of Bishop's Tachbrook Primary School and working with the children and families soon.

Yours faithfully,

Emma Canning
