Dear Parents,

It may feel like Christmas is a long way off, but if your child would like to make their own Christmas Cards (...mugs, gift tags, wrapping paper) then now's the time!

Following the success of previous years, we've signed up again with My Art Project to give pupils the opportunity to design Christmas cards to share with family and friends and raise money for the school at the same time.

This year, due to Covid considerations, cards must be scanned so can't include stick on items. Ordering will be online and order forms sent out **after** art work has been received. Please see below for a list of products and prices. No money is due now.

To join in you'll need to print the template [here](#).

The template needs to be printed in A4 size onto paper or card (if you can, avoid very thin papers such as 70gsm). The paper can be white or coloured, but not pale colours because they don't scan well. Read the hints on the left before starting the design on the right hand square. Note that 5mm around the edge will be lost in the manufacture process so keep writing etc away from the edge.

If printing is a problem, or you have questions then contact the PTA on btachbrookpta@gmail.com

Designs need to be handed in on or before **Monday 19th October** in time for scanning, orders, printing and distribution. Please make sure you fill in the left hand side clearly. Send them in via your child's folder.

Enjoy making your designs!
