At Go Go Makers staff respect the privacy of the children attending the Club and the privacy of their parents or carers. Our aim is to ensure that all those using and working at Go Go Makers can do so with confidence.

We will respect confidentiality in the following ways:

- Parents can ask to see the records relating to their child, but will not have access to information about any other children.
- Staff only discuss individual children for purposes of planning and group management.
- Staff are made aware of the importance of confidentiality during their induction process.
- Information given by parents to Club staff will not be passed on to third parties without permission unless there is a safeguarding issue (as covered in our **Safeguarding Policy**).
- Concerns or evidence relating to a child's safety, will be kept in a confidential file and will not be shared within the Club, except with the designated Child Protection Officer and the manager.
- Issues relating to the employment of staff, whether paid or voluntary, will remain confidential to those making personnel decisions.
- Confidential records are stored securely in a lockable file.
- Students on work placements and volunteers are informed of our confidentiality policy and are required to respect it.
- Passwords for any electronic devices belonging to Go Go Makers that have access to any personal data relating to children, parents or staff (including mobile phones) will not be disclosed to anybody else, even colleagues within Go Go Makers. Passwords should be kept in a safe and secure place, that nobody else can access. All devices must be logged off before finishing with the device.

Sharing information with outside agencies

We will only share information with outside agencies on a need-to-know basis and with consent from parents, except in cases relating to safeguarding children or criminal activity. If we decide to share information without parental consent, we will record this in the child's file, clearly stating our reasons.

We will only share relevant information that is accurate and up to date. Our primary commitment is to the safety and well-being of the children in our care.
