

Would you have kept your child off school before COVID?

Yes

No

Keep your child off school.

Do they have:

- 1) A new continuous cough?
- 2) A fever (high temperature over 38°) using a thermometer?
- 3) A complete loss or change of smell or taste?

Yes

No

Keep your child off school and at home.

Speak to 119 or go to the <https://www.gov.uk/get-coronavirus-test> website and arrange for a self-test to be done.

Your child and your household must self-isolate until you have the result of this test.

Does your child have an underlying chronic medical condition such as cystic fibrosis?

Yes

No

Speak to their specialist team about testing criteria if you haven't already seen or spoken to them or had a letter in the post telling you when to worry.

Children who are otherwise well with:

- Runny nose
- Sore throat without a fever
- Mild colds

can go to school as normal.
