

A governor visited the Leamington Spa Pump Rooms to see BT's competition winning Y3 art work on public display.

January 2019

Emma visited the Pump rooms to see for herself our creative curriculum which had been selected for display as the Pump Room's first place school art work.

Emma reports:

I popped into the pump rooms yesterday to see the display of Year 3 Competition winning Poppy Art. It was an impressive display showcasing a variety of different media.

Many congratulations to Year 3 on their win.

“The staff of The Pump Rooms were really impressed with the artistic skills of our Y3 children too.”
