

# A governor came to see Safer Internet Assembly

February 2019

Emma visited our Online Safety assembly for Safer Internet Day. Emma reported:

“I really enjoyed the variety of ways in which the different classes decided to present what they had learnt. We had stories, interactive Q&As, wordels & a brilliant song! The children all spoke clearly & with confidence about the message of permissions when using the Internet .”

Emma was lucky enough to listen to Y4 performing the world premiere of the school's own newly composed Internet Safety song.
