

A governor came to watch the Year 2 'Showing and Sharing Assembly' and noted the lovely positive atmosphere.

Dec 2017.

Emma visited school with a packed house of families and parents who had come to watch the Year 2 assembly.

Emma noted how each pupil was able to take part and one or two were supported so that everyone was included.

"I came away with the feeling that I had a knowledge of all the areas studied in the Year 2 curriculum. The work was very impressive particularly as the children are also rehearsing for their Nativity! It was a lovely positive atmosphere."

Emma noted that the children were really able to talk about their work across the whole curriculum.
