Dear Parents,

I apologise for the confusion about the need for all of the Y6 class today to have an early packed lunch. When the problem became apparent we did offer to provide a school packed lunch, but there was certainly no intention to make life difficult for anyone.

Although the children had been reminded about this several times, I appreciate that the letter parents received is not completely clear on this. I have taken this feedback on board to ensure that the letter will be absolutely clear next year.

Knowing next year's letter will be better is clearly no use to parents who were inconvenienced today but our letter- which indeed is slightly ambiguous- had not in previous years caused this misunderstanding so once again I do apologise.

As a school we are always open to listen to feedback. Many thanks to all the parents who take the time to let us know when we get things right, or indeed could do things better.

The weather forecast looks promising for a wonderful weekend and my thanks to our three staff for giving their time this weekend and taking the children for what is always a real highlight of primary school experience at BT.

Yours sincerely,
Andy Brettell
