

A governor came to listen to the KS2 hand chimes at St Chad's for the KS2 Carol Service. Dec 2018

Nicola, who is a musician herself, visited Church where Y3 were leading the Christmas worship. The Church was packed with parents and families who had come to join in the Carol service. Nicola reports:

‘Year 3 took centre stage in the celebration with a little act that shared their ideas about what Christmas means to them. This was wonderful to watch and to listen to.’

‘The children walked to and from Church very sensibly too. It was a lovely way to end the term before the Christmas break.’

Pictured are Y4 who also played the hand chimes at Coventry Cathedral earlier in Advent.

“It was a lovely festive celebration full of Christmas songs with fabulous performances on the hand chimes by the children.”
