

# Bishop's Tachbrook CE Primary School EYFS/KSI Pupil Acceptable Use Agreement

These rules help us to stay safe online:

-  We only use the internet when an adult is with us.
-  We only click buttons or links if we know what they do.
-  We keep our personal details private – like our full names, addresses or birthdays.
-  We only share photos if we have permission.
-  If we see something that upsets us online, we tell an adult straight away.

## KS2 Pupil Acceptable Use Agreement

-  I will only use school ICT equipment for my schoolwork.
-  I understand that school will monitor my use of its ICT equipment.
-  I will use my own login and keep my username and password secret.
-  I will ask permission before using the internet, and will only visit the sites recommended by my teachers.
-  I will be polite and respectful online.
-  I will not reveal my personal information, or the personal details of my friends and family.
-  I will not take or share photos or videos of others without their permission.
-  When I use the internet for research, I will be careful not to copy other people's work.
-  If I see something that upsets me online, I will inform a responsible adult straight away.
