

Our vicar, who is a Foundation Governor, came to take part in our Easter treasure hunt.

Rev Elaine joined KS1 on a treasure hunt around the school field with each treasure they collected representing a story from Holy Week and Easter. We began with Palm Sunday and ended with Easter Day. The children participated with enthusiasm and their knowledge of the stories of Holy week was excellent.

Rev Elaine remarked that “Not only were they able to answer questions but also the children were able to reflect on their answers.”
