Dear Parents/Guardians/Carers

Year Book

It is up to each year group to organise Year Books for their class and so this year I will be organising the book for our year. As it is such a big task to organise I am attempting to be ahead of the game by informing you all what is required well in advance so you can think about photos which might work as we go through the year. I have also set up a dedicated email address for the year book to save me scrabbling around in June next year to find all the photos you've sent!

Along with the photos we will be working with the children at the end of the year to answer some fun questions and contribute towards the book, so all you need to do is find the pictures. I will also work with Christine Burke and the school to gather more photos. So all I need from you is the following:

- First day of school picture
- Sports day photos
- Dress up photos (Roman Day/World Book Day etc)

Please send the photos to btyr6yearbook@gmail.com. I will endeavour to use as many as possible but not all photos will make the cut. Once the book is printed I will delete this account and will not store the photos for any other use than this book.

And finally the book will be paid for by the school and given out as a gift at the end of the year.

Many thanks

Sarah

you to send photos to over the year that you think are relevant - although please remember they may not all make the cut -
